

PAYMENT INFORMATION

To pay electronically, please go to www.langd.org, or download our mobile app.
To pay by phone, through an automated system - free, at 407-656-2734, option 2 or option 3 to speak with a representative to make payment - \$7.50 fee.
To pay in person, visit one of our three locations.
PAYMENTS MUST BE RECEIVED BEFORE THE DUE DATE. We do not accept payment in the field.

Service is subject to be interrupted for any account not paid in full by the due date. Customers with previous balances are subject to immediate service interruption.

LANGD is not responsible for payments received the same day as service interruption. Any account interrupted for non-payment will be assessed a reconnect fee of \$50.00 at time of turn on and may be subject to an increase in deposit per LANGD Tariff. Payment must be made by 2 P.M. for same day turn on.

NOTICE

For questions regarding your bill, please contact the Customer Service Department at 407-656-2734, option 3, or 1-800-542-3344. Office hours are 8:00 A.M. to 5:00 P.M. Monday through Friday, except for holidays.

All calls received between 5:00 P.M. and 8:00 A.M. Monday through Friday, holidays and weekends, are received by the answering service. Calls pertaining to service will be responded to by the next regular workday. Calls pertaining to your bill must be handled by the Customer Service Department. Emergency calls will be responded to promptly by the on-call service technician.

Service work plus trip charges will be charged at the current rate. Also, all parts and materials used at the time of service will be billed to your account. These rates are subject to change by action of the Board of Commissioners.

LANGD does not maintain buried gas piping on a customer's property. Pipes are subject to potential hazards, such as leaks or corrosion, and should be periodically inspected and repaired if found to be unsafe. Always call 811 a minimum of 48 hours before digging or excavating near your gas pipe. When digging near your buried pipe, excavation should be done by hand. A plumber can assist in locating, inspecting, and repairing buried piping.
